Skate At Camp

The Woodward at Copper Barn is filled with radness; we have a 6' bowl that waterfalls down to an 8' section, a boss 5' tall 24' wide mini, a 1 ½' micro mini ramp, and an ever changing indoor street area. The Barn's front deck is also filled with ramps, many pads, and a killer view.

Tons of skate comps go on during the week. Sign up and win some prizes!

Want to get creative? All the ramps in our Street Area are movable so you can invent new set-ups everyday.

Road Trips

Camp hits the road and checks out some of Colorado's best concrete skate parks. Edwards, Silverthorne, Denver, and Fairplay are just a few of Colorado's nearby parks. Grab your deck and get in the van, it's gonna be a blast!

Hope in the van and head out on the highway!
